

On This Side Of The Sun

By Phat

SPRING — The hottest day of 1944 to date was the last day of winter—the maximum just touched 100 Sunday. Maximum on the first day of Spring was 85 . . . Do you know your A-card will have to last you all Spring? It came in March 22 and there'll be no more until June 22—the second day of summer . . . They are nice, sensible, sane people over at the Do-Nut shop. Even their ad in The Desert Sun heralded it as the "No-Nut" shop last week. Alice Parry says it convinced her that everyone reads The Sun. She heard about our error from all sides.

THE VILLAGE — Desert sunshine provides robust constitutions. Frank Sinatra, "The Voice" is in town and, so far as learned, not a single Village girl swooned. . . . The town was full of Big Names this week. There was Jack Benny, who with Paul Lukas, judged amateur plays at the air base Wednesday night, Mickey Rooney, Kate Smith just left, Gotham's Jimmy Walker, and many others. . . . It's said Charley Morrison's new night spot will be in the Plaza vicinity . . . And that Phillip Goldstone, recent purchaser of the White property, plans great things here after the war.

NATURAL HISTORY — Josephine, pet cat of Johnny and Connie DeVine, had a Caesarian, performed by Dr. O. B. McRory last week. Josephine is getting along fine but her five offspring failed to make it. But there'll be others. . . . Did you know Willie Hearst is in town? Running all around the Tennis Club grounds, climbing mountains, investigating bushes and trees? He's Willie Hearst Swinnerton, pet sleek brown dachshund of cartoonist and Mrs. Jimmie Swinnerton. . . . "With the Village again bulging with new army personnel looking for living quarters, why doesn't the government let them have some of the vacant apartments available now only to civilian war workers?" asks a Villager.

MUSIC — There doesn't seem to be any big song hit extant these days. No one tune is holding the lead on the Hit Parade as did "My Heart Tells Me" earlier this year. There's a new one each week. If the judges who decide what tunes are among the top ones could hear Dr. J. R. Macartney, local shepherd, in his lyrical version of a camp meeting, it would undoubtedly make it. . . . Now comes Judge Pinney to give me a lesson in Spanish grammar. It's "Besa mi mucho," he says. He was just talking about the song. . . . Clarence Hyde, council candidate, asked the judge this week if he'd like to help him out kissing babies for votes. "Sure," said His Honor, "if you'll let me call my shots." . . . One of my out-of-town readers has a squawk. He says they only give you nine top tunes on the Hit Parade now. It used to be ten. He asks if the OPA had anything to do with that, too.

THIS AND THAT — "I see the army is looking for women drivers," said a friend who had just driven up Palm Canyon drive. "If they'd recruit them here and send them overseas, they'd have the road to Rome cleared in 24 hours." . . . Frank Partridge has a new name for army and navy wives whose mates are overseas. He calls them "chin-up" girls. . . . Germany's hopes for partial victory rests on belief that economic chaos will hit America. Every time you try to outwit the OPA on rationing and buy in the black market you are giving comfort to Hitler. . . . A lot of people who have no kin on the front seem to have forgotten about the war.

ODDS AND ENDS — Alexandria, the Goose, is dead. She thought she was a mongoose and tackled a rattlesnake out on the desert. . . . Story I like best this week concerns a mother who sent her young son upstairs to change his trousers after ripping them as thoroughly as only a young boy can do. Soon she heard a noise in the basement. "Are you running around down there without your pants on?" she yelled down the stairs. "No ma'am, just reading the meter," replied a strange male voice. . . . D. V. Robinson, marine corps cook, displayed this sign before the cook tent in the south Pacific: "No steak today. We must do our bit for the home front."

PERHAPS — Pessimists who worry because they think America isn't taking the war seriously enough, may be right—right now the love life of an unutilized comic is getting a bigger play than the Jap menace to our Bur-

Price Panel Check Shows Regulations Being Observed

Palm Springs businessmen are adhering, in the main, to the rulings and regulations of the OPA in splendid shape and any deviations are through misunderstanding and have been corrected.

This is the substance of a report by William A. Lippman, chairman of the local war price and rationing board, following a survey of Village stores this week by members of the Price Panel of which Tom Holland is newly appointed chairman.

FIFTEEN FOOD STORES "There are fifteen stores selling food in the Palm Springs Board area," Mr. Lippman reported. The survey was made as part of a national program carried on by OPA in connection with persistent efforts which the national office has suggested to help curb price violations in food and other common commodities.

"A selected number of items consisting of meats, canned goods, and even soap were thoroughly investigated by board representatives visiting the stores, none of which knew in advance what particular commodities were being checked up.

"It must be said to the credit of the stores in this vicinity that there were no price violations discovered on the items listed.

There were violations with regard to the posting of such things as store group signs, beef price lists, soap and pork prices, and a lack of grade marks on beef cuts.

STORES COOPERATE "In one or two places even soap lists were not displayed. All of the stores showed a fine spirit of cooperation and while some of them did not display the community ceiling price list as prominently as apparently is intended by OPA, without exception they agreed to fully cooperate and when provided with the missing materials see that they were suitably displayed.

"The public can help in this price survey drive if they will promptly report to their Ration Board what they believe to be violation of ceiling prices. The local board is of the opinion that with both the stores and public cooperating, complaint causes can be reduced to a minimum."

Coin Machine Fee Amendment Studied An amendment to the city ordinance regulating coin machines in Palm Springs, fixing new scales of fees was given first reading at city council meeting Wednesday night. Fees range from \$12 per annum for machines vending food, to \$100 per year.

Music machines, juke boxes, will be assessed at \$50 a year for the main machine with \$50 for each additional outlet.

Hunt For Party In "Distress" Is Futile

Following a report from the pilot of an army plane stationed here that he had spotted a distress signal at about the 5700-foot altitude in Tahquitz canyon, a group of rangers searched the area this week without success.

Local police were informed that the signal was noted Tuesday but not on Wednesday.

Many Parents Out to Meet With Scouts

Many parents turned out last Saturday night at the Scout house for the highly successful Parent's Night staged by the local troop, of which Chief of Police Lyle J. Sanard is scoutmaster.

More Room Available Here Soon

National Housing Agency to Furnish Converted Rooms

That the 22 vacant apartments, recently converted for war housing purposes, will soon be in use was indicated by Culver Nichols, Palm Springs War Housing manager, who said that furniture had been ordered by the National Housing agency to make these apartments available to eligible occupants.

Opening of these new units will aid in alleviating a housing shortage here.

FOR WAR WORKERS

"These units are being made available for rental to essential immigrant civilian war workers under the War Housing Conversion Program of the National Housing Agency," said Mr. Nichols. "A number of vacant business buildings have been leased from their owners and remodeled by the Government to provide essential housing with a minimum expenditure of critical materials and manpower.

"The units now to be furnished will supplement the furnished units which were opened to occupancy last summer, bringing the total number of units to 170.

"All of the housekeeping units with furniture and kitchen facilities have been continuously rented from the start, and there is a considerable waiting list for such accommodations. However war workers who come here and are unable to obtain an apartment, can generally be given furnished rooms as a temporary measure."

SEES OTHER USES

Eligibility to occupy these units is restricted to civilian war workers employed at Torrey General Hospital and Palm Springs Army Air Field. All rentals are handled at Culver Nichols' office, 863 North Palm Canyon drive.

While completion of these units will make some apartments now engaged by eligible war workers available to others, agitation has also been started to allow families of military personnel to occupy these projects but progress in this regard has been slow. Negotiations are continuing.

Palm Springs' Lure Too Great For Her

The lure of Palm Springs proved too much for Elaine Mae Brown of San Francisco. Arrested here last week, she appeared before Judge Guy Pinney where her fine was suspended on condition she quit the Village—and stay quit.

But she just couldn't leave—was arrested again—and now is in county jail.

Deputy Sheriff Burr of Riverside this week removed Moses S. Eicholz, late of the U. S. Navy, to Riverside after he had allegedly created several disturbances here.

Date For Dr. Pottenger's Visit to Palm Springs Changed to April 14

BY MARGARET CREE

Change in the date of the X-rays and examinations by Dr. F. M. Pottenger was decided on Wednesday afternoon at the regular meeting of the Welfare and Friendly Aid Association, held at the Health Center on East Amado Road.

The new date for the taking of chest X-rays is April 14. At that time the Mobile X-Ray unit of the California Tuberculosis Association will be in Palm Springs, and is equipped to take X-ray pictures of scores of people during the day. This is part of the service given to communities through the money raised by Christmas Seals, and for which there is no charge.

Everyone who is interested in having X-rays taken is asked to

Village Youth Is Wounded In Pacific War

Ted Ashley, son of Mr. and Mrs. H. H. Ashley, has been wounded in action in the south Pacific war area, according to a telegram received this week by his mother from the war department.

No details were listed in the government's message which added that the young Villager had been awarded the Order of the Purple Heart.

Ashley enlisted in the army while still attending Palm Springs high school on March 10, 1943. His outfit went overseas last September and has been constant action in the Pacific war theater since.

One brother, Rolland Ashley, is now a freshman at Palm Springs high school.

Miss Hyde Bride of Bob Gane In Surprise Wedding

Miss Marjorie Hyde, well known and popular daughter of Mr. and Mrs. Clarence Hyde, became the bride of Gardner Gane early this week in Pasadena, her parents announced today.

Miss Hyde and her husband, known to scores here as "Bob" Gane, have been close friends for some time but news of their marriage came as a surprise to their many friends here.

The couple will make their home at Vista, in San Diego county, where the bridegroom's father, Dr. Gane, a retired horticulturist and former member of the University of California staff, have extensive avocado holdings.

They have taken a house at Vista. Mr. Gane is a newspaperman from Santa Barbara.

High School Boys And Girls Do Fine Job Running City

Palm Springs high school students took over the operation of the Village for one day this week. On Wednesday they occupied all city offices and conducted a council meeting that evening, settling city affairs with neatness and dispatch.

Officials for the day were: Mayor, Gil Smith; City manager, Kathryn Croft; City attorney, Bob Hoover; City treasurer, Edith Dunigan; City Councilmen, Bob Bell, Bob Dart, Jay Holderman, Gloria Bruce, John Ward and Sallie Lockett; City clerk, Norma Jean Mabrey; Fire Chief, Art Jones; Police Chief, Joe Sandeffer; Judge, Charles Veith; Public Health Nurse, Toni Lowe; Constable, Jerry Tracy; Health officer, Vernon Ward; Ration board, Helen Louise Williams; Bob Morrison, Diana Robb.

The day started out with luncheon as Rotary club guests (see page 3, col. 4) and wound up at the council meeting.

Complete story of high school operation of city written by Cecile Morris and Bob Hoover, will appear in The Sun next week.

Use of Field Club facilities for purposes other than military, will have to be paid for on a prorated basis and the city reimburse the FWA fund granted Palm Springs, council decided at Wednesday night's session.

The question arose when Dr. E. E. Oertel, principal of Palm Springs high school, requested permission to use the Field Club softball diamond for three high school games next month.

City Manager Ray Sorum brought up the question of expenses, reminding the council that the federal grant for recreational purposes—to pay the salaries of director, maintenance man and cost of utilities—provided that the money be used for military recreation only.

After Councilman John Connell had asked if outside use would be permitted if all costs were met, Councilman E. E. Theriault moved that the high school be granted the permit provided they pay the proportionate share of director, maintenance man and lights. The motion carried.

The Village Red Cross fund campaign is moving along and Chairman Carl Hammond is optimistic—but, have you contributed. Turn to Page 10, columns 5 and 6 to get a graphic story of what the Red Cross is doing overseas.

The "Voice" is in town. Frank Sinatra, taking a little sunshine between broadcasts, is in Palm Springs for a week. Lois Andrews, singing star, has turned over her home to the radio star for a brief Village vacation.

Elect Nichols President of New Hospital

Organization Work On Community Plan Completed

Culver Nichols last night was elected president of the Palm Springs Community Hospital association as progress on the campaign to give the Village an adequate civilian hospital moved forward with increasing momentum this week. Ernest Alschuler, prominent winter resident, was elected first vice-president and Mrs. Armand Turnonnet, second vice-president. Charles J. Burket was elected secretary and Fred Ingram, treasurer.

Election of officials occurred last night in the second week of the meeting for the association.

ACTION IS PROMPT

Tuesday evening, 18 members of the association met with Mr. Burket, temporary chairman and a nominating committee consisting of Harold Hicks, Mr. Nichols and Alvin Weingarten was appointed. Another committee, Eugene Theriault, chairman, Mrs. Tom Lipps, Harry Williams and Harry Klonek was appointed to prepare by-laws for the association.

Both committees acted promptly and had their reports ready last night.

ADOPT BY-LAWS

Besides electing officers, last night's meeting approved the by-laws and adopted them and also empowered the president to appoint an executive committee. This committee will consist of the officers and William Dean, Alvin Weingarten, Francis F. Crocker, Mrs. Nellie Coffman, Mrs. Caroline Hicks and E. E. Theriault.

While the organization work was being completed this week, money was already coming in for the new hospital. It was announced earlier this week that any director is authorized to take subscriptions or they may be left with Mr. Ingram at the Bank of America.

At Tuesday's meeting Irving Snyder and E. W. A. Peake were added to the board of directors of the association.

Coast Guardsman Meets Disaster in Village—Aid Asked

Here's a chance for an honest man—or woman—to do much good.

This story concerns John S. Houghton, a member of the Coast Guard, in Palm Springs on leave. While in the Village he lost his wallet containing not only all of his money but all of his important papers—papers which it will take a long time and a lot of red tape to replace.

He told his story at the Dugout this week and the good ladies of that organization have sounded an appeal for Villagers to return the wallet to the Dugout if found.

Planners Favor Preservation of Historical House

A communication from the Planning Commission recommending the granting of a request by Cornelia White that the George Welwood Murray study on which the late Dr. Florilla White resided, be preserved as a historical monument, was referred to City Manager Ray M. Sorum by city council Wednesday night.

Mr. Sorum will confer with Miss White on the proposal.

City Attorney Roy W. Colegate informed council that the only way zoning and moving ordinances could be met would be if Miss White made the building city property with the provision that she be allowed to live in it during her lifetime.

Officers of Palm Springs Woman's Club Are Elected At Annual Session; Board Is Enlarged to 12 Members This Year

Mrs. William A. Lippman, president of the Palm Springs Woman's club, was re-elected at Monday's meeting of the club at the club house on South Cahuilla avenue and the entire group, nominated by the nominating committee was elected with no nominations being made from the floor.

Many New Guests At Palm Springs Hotel This Week

Still they come from far and wide to spend a few days or weeks in Palm Springs on winter vacations and at the Palm Springs hotel many new guests registered this week. Among them were Capt. Frederick J. Mix, Jr., USMC, of Camp Pendleton, Calif.; Dr. and Mrs. K. D. Lacy of Long Beach; Mr. and Mrs. C. H. O'Brien of San Jose and daughter; Dr. and Mrs. Palmer of Seattle; Mr. and Mrs. George Taylor of Los Angeles who had as their guest over the weekend, Mrs. K. H. Knesel of South Pasadena; Lt. Cmdr. F. A. Marshall and son of Long Beach; Mrs. Edward Kellogg and her daughter, Mrs. Hillis Peterson of Los Angeles, both regular winter visitors in the Village.

Many guests who have been here earlier this season, have returned for a few more days in the Village and are at the Palm Springs hotel.

Noted Artist And Cartoonist Will Exhibit Paintings

For years people thought of political and sports cartoons and world-famous comics when they heard Jimmy Swinnerton's name mentioned. But for most of these years, cartooning and comics were his vocation—his avocation was painting.

This week at the Palm Springs Tennis club a gallery of Swinnerton's painting, desert landscapes, most of them from around here, is on display and drawing much attention.

Mr. Swinnerton was among the first to see beauty in the desert and transferred it to canvas. He was painting desert scenes when most people thought of the desert as an area of sand, rocks and greasy bushes. Now there are scores of desert artists but, as in the cartooning field, Mr. Swinnerton is in the front ranks.

Friday night he is scheduled to give a chalk talk at the Tennis club. He compares this sort of talk with television.

"Your listeners not only hear your stories but see them illustrated as they are told. That's what television will do to our radio programs as soon as the war is ended."

Other officers elected were:

Mrs. Armand Turonnet, vice-president.

Mrs. John Sprague, recording secretary.

Mrs. Harry Harlow, corresponding secretary.

Mrs. Guy Pinney, treasurer.

Mrs. Harrison Leussler, chairman of the house committee.

Mrs. H. Bedford Jones, chairman of memberships.

Mrs. John Forward, chairman of publicity.

Miss Teresa Fields, chairman of programs.

Mrs. Raymond Cree, chairman of the Year Book.

Mrs. Donald Lockett, parliamentarian.

Mrs. Harold Hicks, Friendly Aid and Welfare.

The above officers constitute the new board of directors of the Woman's club recently enlarged from nine members by a change in the by-laws voted a week ago.

Written reports of the year's activities were presented showing the club to be in excellent condition and active in civic affairs. Membership was maintained in a highly satisfactory manner and the financial condition of the club found excellent. Mrs. Lippman expressed her deep appreciation for the work of committee and club members during the year and foresaw another highly successful year of cooperation and club activity.

Members of the old board will meet Monday morning at 11 o'clock at the Desert Inn in their final meeting and Mrs. Lippman will then be host at a luncheon for the board.

Edward Waskow's Observe Fifteenth Wedding Anniversary

Edward Waskow, of the Desert Furniture company, was down from Las Vegas where he manages the Las Vegas store of the company, this week to visit in the Village and be with his wife, Helen, to celebrate their 15th wedding anniversary which was observed last Sunday.

The Waskows own two furniture stores, one at Las Vegas, which he manages and the one on The Plaza here, which Mrs. Waskow manages.

In view of the general strategic situation there is a feeling in military circles that if the invasion of France is delayed much longer our troops will be in danger of coming up against the spearhead of the elastic Nazi advance on Russia.—Punch.

Throngs Enjoying Winter Vacation At The Desert Inn

The John Sweeneys, of Cleveland, have returned to Desert Inn for another few month's stay. The family was here several months in the fall, and returned to their home for Christmas and the holidays. Mr. Sweeney and his daughter, Scribner, are here now. Mrs. Sweeney is visiting in Los Angeles this week, but will be in Palm Springs sometime next week. Miss Scribner Sweeney is most popular with the younger set at the hotel, and is very active in all outdoor activities.

Mrs. Frank G. Belcher and her two younger sons are stopping at the Inn part of the month. The boys, Mike and David, are enjoying swimming and bicycling in the desert sunshine. Mrs. Belcher's older son, Gary, who is a student at Black Fox Military academy, may join the group here next week. Lt. Belcher, U. S. N., now is serving out of the country.

HOSTS AT DINNER

Mr. and Mrs. L. S. DeGraff, winter residents in Palm Springs, were dinner hosts at Desert Inn Saturday evening. Their guests included Mr. and Mrs. Donald Dudley, of Buffalo; Mr. and Mrs. Fanny R. Wurlitzer and Mr. and Mrs. Rudolph Wurlitzer of Cleveland. Donald Dudley houseguest of the DeGraffs is a nephew of the host.

Monday evening Mr. and Mrs. Henry Wendt of Buffalo who are stopping at the Inn entertained here at dinner. Places were set at their table and were marked for Mr. and Mrs. DeGraff, Mr. and Mrs. Dudley and Mr. and Mrs. Fanny Wurlitzer.

ENTERTAIN AT INN

Mr. and Mrs. Lindeman, of Seattle, entertained informally one evening last week in De Anza room of Desert Inn. The party was given in compliment to Mr. and Mrs. Halliday, who have a winter estate in Palm Springs. Others at the dinner were Mr. and Mrs. Littler, who just arrived from Seattle, and Mr. and Mrs. R. A. Carrington, of Los Angeles.

Arrivals from the Los Angeles area this week include: Mr. and Mrs. T. A. Armstrong, Pacific Palisades; Mr. and Mrs. N. Kinnell, Los Angeles; Mr. and Mrs. Stewart O'Melveny and Miss Ann O'Melveny, Pasadena; Miss Ethyl Dulin, Pasadena; Mr. and Mrs. Beverley Scott with Maj. L. B. Phister, Beverly Hills; Mr. and Mrs. J. C. Bogardus, Jr., Altadena; Lt. and Mrs. Cornell, Los Angeles; Mr. and Mrs. A. J. Muhlback, Los Angeles; Miss Gloria Wolff and Miss Leana Levine, Holmby Hills; Mr. and Mrs. W. C. West, Glendale; Miss Tonio Lanier, Beverly Hills; Mr. and Mrs. F. R. Long, Beverly Hills.

FROM BAY AREA

San Francisco seems to have moved to Palm Springs en masse this week. Among those stopping here at Desert Inn from the bay region are George Crothers, Mrs. Isabel Bercut, Loraine Goodman, Judge and Mrs. Louis E. Goodman, Dr. and Mrs. A. Charnov, Mr. and Mrs. E. Sugarman, Mr. and Mrs. Hugh E. Oliphant, Mr. and Mrs. Paul Levey, Mr. and Mrs. Herbert C. Schoning, Dr. Franklin I. Harris, Charles M. Thall, Herman Wobber, A. L. Ehrman, Mr. and Mrs. Alton H. Collins, Margaret E. Osborne, Mr. and Mrs. G. I. Ticoulat, and Mrs. Lucio Mintzer of Woodside.

Mrs. Glen T. Hoffman has come from Winnetka, Ill., for a visit of four weeks; Mrs. H. D. Kirkpatrick, of Chicago, will stay the same length of time; Mr. and Mrs. Cutter P. Davis, of Springfield, N. Y., are to stay until early April; Mrs. P. M. Rodgers and Miss Carol Rodgers are here from Honolulu for a stay of indefinite length; Burton A. Howe, of Wall Street, New York, is staying for 10 days; Dr. and Mrs. Howard Barker and their daughter, of Pontiac, Mich., will visit at the Inn until April 7.

Request For Permit Referred By Board

Petition of Maynard G. Mead for a permit to operate an establishment to sell air conditioners on South Palm Canyon drive was referred to City Manager Ray M. Sorum by city council Wednesday.

Technicalities involving the type of building to be used will be studied before action is taken.

Artie Lee Butler And Lt. Murphy Wed At Riverside

Miss Artie Lee Butler, popular and vivacious member of the younger set here, became the bride of Lt. Lyle B. Murphy at the chapel in the Mission Inn at Riverside Saturday, March 18, it was revealed this week. The Rev. Francis E. Ellis of the Congregational church read the vows.

The new Mrs. Murphy is the daughter of Mr. and Mrs. F. H. Butler of Wichita, Kansas, where her father is engaged in the newspaper business. Lt. Murphy is stationed at the headquarters of the 21st Ferrying Group here. His home is in Pine, Arizona. He is the son of Bert S. Murphy.

Miss Butler has been a winter resident of the Village for the past three years, living with her aunt, Miss A. L. Peterson, while attending high school here.

The newlyweds will make their home in Palm Springs for the present.

Popular Officer At Air Base Weds Wilmington Girl

Further thinning the ranks of the bachelors at the 21st Ferrying Group base, Warrant Officer Bernard Van Wie, well known and popular officer, last Friday married Phyllis Sandison of Wilmington.

The ceremony was solemnized at the Normandy Wedding chapel in Long Beach.

Mrs. Eloise Hirt Honored Guest on Eve of Departure

Mrs. Holly Lash Visel was hostess at a luncheon at the Palm Springs Tennis club Wednesday in honor of Mrs. Eloise Hirt, USO director here for the past few months, who is leaving the Village for other USO posts of duty.

Guests were Mrs. William A. Lippman, Miss Katherine Finchy and the honoree, Mrs. Hirt.

THE HIGH COST OF LIVING

Stark and real is "The High Cost of Living" for millions of young, fighting Americans.

By comparison, our problems here at home are so superficial and small

that we must consider it an especial duty and privilege to provide the Red Cross dollars

that give them the plasma, care, and comfort

that to so many will mean the difference

between living and dying.

Sentences Meted Out In 5 Desert Land Fraud Cases

Edward Glick, former president of the Palm Springs La Quinta development company, Frank Stone, president of the Desert Club, John Kantor, Richard Grant and Samuel Goldstein, five of 29 persons named in a federal indictment charging fraud in the development of the resort and club, have been fined in Los Angeles federal court, the first four \$1,000 each and Goldstein \$750. Sentence was suspended on other counts, according to report in Riverside.

Glick, Stone and Kantor were defendants in a suit brought by Miss Marie Snow of Riverside who charged they made false representations on selling certain desert area lots. Judgment was rendered for the plaintiff in the amount of \$1571.26. Later a federal grand jury indicted the trio and 26 others in a \$1,500,000 fraud case.

One of the terms of probation granted the quintet was that they convey the club and adjoining property to club members.

Campaign Started to Enroll All of Voters In Village

A campaign to register all Villagers before April 6, deadline for qualifying for the important May 16 primary election, was under way in Palm Springs today.

Newcomers here, those who have changed their address or those who failed to vote in either the primary or general election in the fall of 1942, must reregister to be able to vote at the primary.

Mrs. Louise McCarn, city clerk, has been delegated by County Clerk G. A. Pequegnat to act as deputy registrar for Palm Springs. Citizens may register there on any business day.

Besides the congressional primary in which Congressman John Phillips is the sole entry from Riverside county, Villagers will decide between Nelson Dilworth of Banning and Frank Dunbar on both tickets for state senate and choose candidates for the assembly on both tickets from a field of five including Palm Springs' own Philip L. Boyd, Charles W. Valentine and Austin A. Howell of Riverside, Frank Tebo of Indio and Delbert Crane of Elsinore.

Because of the importance of the election, a large vote turnout is being sought. The election falls on May 16.

Prominent Republican Woman Editor to Back Campaign of Philip L. Boyd For Assembly At Primaries In May

Ethel Gillett Whitehorn, editor and publisher of the Republican Spokesman is remaining in Palm Springs until after the May primaries and will take an active part in the campaigns of Lieutenant-Governor Fred Houser candidate for U. S. Senator; John Phillips who is seeking reelection to Congress from the 23rd District; and Philip Boyd of Palm Springs, candidate for Assemblyman, Riverside County.

"America's greatest need today is to elect its best men to serve the people in our Legislative bodies, National and State," Mrs. Whitehorn stated in a recent interview with Mr. Boyd. "This need can be filled overwhelmingly if the people will not bow to wishful thinking for better conditions in our domestic affairs, but will show their keen interest by not only becoming registered voters themselves, but also urging their friends and neighbors to do likewise."

REGISTRATION OFF

"Here in California according to a report I have just received from Frank Jordan, secretary of state, registration has dropped since the election of 1942, to a total of 2,765,817 voters, the lowest point in fourteen years. This means that since November, 1942, California has lost 1,104,959 registered voters. This is a dangerous situation both for the State and the Nation, therefore every effort must be made by our citizens to bring this state's registration back to par before April 6. We cannot elect our best men to serve us properly unless we have a powerful army of voters."

Mrs. Whitehorn believes that in Lieutenant Governor Houser, Congressman Phillips and Philip Boyd, California has three most outstanding candidates for public office. If Fred Houser is nominated, this foremost Republican woman of California, will speak for him extensively throughout the state. She was a leading woman speaker for Governor Earl Warren during his campaign in 1942, and is now preparing her speeches for the Presidential nominee to be chosen at the Republican convention in June.

EDITS "SPOKESMAN"

While in Palm Springs, Mrs. Whitehorn is a guest at La Serna Cottages at 344 South Cahulla Road where she edits the Republican Spokesman, carries on a lively correspondence with Governors Dewey and Bricker, as well as with many Republican leaders throughout the Nation including her friend, Clare Booth Luce.

Johns-Mansville Convention to Be Here Next Season

With the Johns-Mansville Co., planning a large convention in Palm Springs next season, Mrs. Wilberta Lipps has been in conference with Walter Kofeldt, executive secretary of the Chamber of Commerce to work out a plan for allocating rooms for the delegates.

Kofeldt has been taking in new Chamber of Commerce members at such a rate that the complete list will be published either in bulletin form or in the press just prior to the annual meeting of the Chamber of Commerce on April 4.

Ends Vacation Here Marrying Director

Evelyn Keyes, film actress, who spent much of her time last week sunning herself and relaxing at the Palm Springs Tennis club went from Palm Springs directly to Hollywood where on Saturday night she was married to Charles Vidor, motion picture director, at the home of Mr. and Mrs. William Pereira.

While at the Tennis Club last week she posed for several pictures for magazines.

Pfc. Pennario Wins Glowing Praise In Magazine Article

Pfc. Leonard Pennario, formerly stationed at the 21st Ferrying Group headquarters here, now at Gore Field, Mont., and who will be remembered by Villagers as a great concert pianist, has won additional fame.

In the current issue of Etude, one of the nation's leading musical magazines, Pfc. Pennario is termed "the astonishing new American piano virtuoso and composer in an article written by James F. Cooke, noted music critic."

In a lengthy editor's note accompanying the illustrated article, Pfc. Pennario is given high praise for his appearances with the Chicago Symphony orchestra and New York Philharmonic orchestra, concerts he presented while stationed at the Palm Springs air base.

Air base heads were highly commended for allowing Pfc. Pennario to appear at the eastern concerts, terming his playing a great morale building.

Change In Postal Charges In Effect Sunday, March 26

Better lay in a supply of one-cent stamps to go with that supply of two-centers you have. Come Sunday, there won't be much use for the 2s—letters mailed in the Village to other Villagers will cost 3 cents just as mail to points outside of the Village does.

Air mail to members of the armed forces will still cost only 6 cents per half ounce but other air mail will cost 8 cents an ounce or fraction thereof.

REVEALS NEW RATES

R. M. Gorham, postmaster, this week revealed the new rates which go into effect Sunday, March 26.

The new rate on domestic air mail has been increased from 6 cents to 8 cents per ounce, or fraction thereof.

All first-class mail will be 3 cents per ounce—the former rate—with the exception that local mail also will be 3 cents, instead of 2 cents as previously.

Rates on book and catalogue mail also have been increased, with a general upswing on parcel post material.

New fees on money orders range from 10 cents on orders up to \$2.50, to 37 cents on orders between \$80 and \$100.

FEES GO UP

Fees on insured mail range from 10 cents on valuations less than \$5, up to 70 cents for valuations between \$150 and \$200.

Registry fees run from 20 cents for \$5 or less, to \$1.35 for registration indemnity of \$1000.

To conform to the change in rate, a new air mail stamp of the same general design as the current 6-cent issue is being prepared in the 8-cent denomination, Postmaster Gorham said.

Members of Lions Club And Guests Dance At Benefit

Members of Palm Springs Lions club, their ladies and guests, danced Monday night at the Colonial House as a benefit for the club's new rehabilitation fund, set up to aid returning servicemen.

Music was by the popular 21st Ferrying Group dance band.

A large throng was out to enjoy the party.

Prominent Seattle Woman In Village

Mrs. Emma Chadwick, prominent Seattle resident, former Worthy Grand Matron of the Eastern Star in Washington state and widow of the late Judge Stephen S. Chadwick of the Washington Supreme Court and later prominent Seattle attorney, is in Palm Springs on a vacation.

Winter Moves Out With Bit of Blow As Final Good-Bye

Winter went out the hard way with a bit of a blow which kicked up a lot of dust, sweeping the entire desert area. That was winter's dying gasp, however, for since Monday it has been Spring.

At 10:49 a. m. the sun crossed the celestial equator and is now riding northward. Spring came on March 20 this year instead of the usual March 21 date because of Leap Year's extra day. Summer, however, will be back on schedule and arrive June 21.

Story of Rotary In China Is Told to Local Rotarians

Stanley Howard of the Peiping, China, Rotary club, gave Palm Springs Rotarians an insight on China before and after the Japanese aggression, in an interesting talk before club members, visiting Rotarians and guests, Wednesday noon at the Desert Inn. He told of activities of the Peiping Rotary club and of other organizations in China and presented a view of conditions in the Orient.

His story of the actual start of the Sino-Japanese war in a minor incident, was highly interesting. Mr. Howard was introduced by Dr. Henry S. Reid, who presided at the session.

Mayor F. V. Shannon introduced City Manager Ray Sorum who in turn introduced the high school students who were running the city government for the day—Wednesday—an annual institution in which students occupy all key official positions.

Introduced were: Gil Smith, mayor for the day; Kathryn Craft, city manager; Bob Hoover, city attorney; Edith Dunnigan, city treasurer; Bob Bell, Bob Dart, Jay Holderman, Gloria Bruce, John Ward and Sallie Lockett, city councilmen; Norma

Tire Inspections Due March 31 On A Cards, Warning

You A-card holders—perhaps you can only drive two-thirds as far as you did prior to Wednesday of this week but don't forget—tires must still be inspected.

Deadline on tire inspections for holders of A gasoline ration cards falls on March 31.

Inspections must be made or there may be trouble in obtaining a renewal of the A card five or six months hence.

A large delegation of Villagers, mostly members of the Los Compadres club, were in attendance last Sunday at the rodeo staged at Indio.

Jean Mabrey, city clerk; Art Jones, fire chief; Joe Sandeffer, police chief; Charles Veith, city judge; Toni Lowe, public health nurse; Jerry Tracy, constable; Vernon Ward, health officer; Helen Louise Williams, Bob Morrison and Diana Robb, ration board members.

CHRISTIAN SCIENCE CHURCHES

These words of the Psalmist are the Golden Text in the Sunday Lesson—Sermon on "Reality" in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston: "The counsel of the Lord standeth for ever, the thoughts of his heart to all generations."

"Master," asked the disciples in a Bible citation from John, "who did sin, this man, or his parents, that he was born blind? Jesus answered, Neither hath this man sinned, nor his parents; but that the works of God should be made manifest in him." And Jesus "spat on the ground, and made clay of the spittle, and he anointed the eyes of the blind man with the clay, and said unto him, Go, wash in the pool of Siloam, . . . He went his way therefore, and washed, and came seeing."

In "Science and Health with Key to the Scriptures" Mary Baker Eddy says: "Heredit is a prolific subject for mortal belief to pin theories upon; but if we learn that nothing is real but the right, we shall have no dangerous inheritances, and fleshly ills will disappear."

Last Sewing Session of Season Tuesday

Last sewing meeting of the season was held by the Community Circle at the church Tuesday with a large group present for the luncheon and afternoon of endeavor. Luncheon hostesses were Mrs. Irwin Ostrander, president of the society, and Mrs. J. R. Macartney, secretary.

Coupon No. 11, Now In Effect, Is Good For Three Gallons

Coupon No. 11 in A gasoline ration books, became effective Wednesday and the eight coupons good for three gallons of gasoline each, will have to serve A card holders until June 21.

While the value of the coupons is unchanged at three gallons, the time during which they are valid has been stretched from two months to three and at the government's estimate of 15 miles to the gallon, allow A card holders approximately 28½ miles of travel a week.

Some confusion arose over the statement that, under the cut, motorists would average but two gallons a week and some complaints were made that service stations were giving but two gallons per coupon.

William A. Lippman, chairman of the local war price and rationing board, said that the No. 11 coupons still entitled the holder to three gallons and the reduction in motor fuel was effected by stretching the life of the coupons to three months.

He warned motorists to budget their gasoline usage so that all of their eight coupons were not spent the first two months leaving them high and "dry" the last month.

Final Lenten Tea of St. Paul's Will Be Held March 28

Mrs. Grover Poos will be hostess at the last Lenten Tea for this season of the Guild of St. Paul's in the Desert, Episcopal Church, next Tuesday afternoon at the Smoke Tree ranch. Mrs. H. Earl Hoover, who had planned to be in charge, turned the meeting over to Mrs. Poos when she found she would be absent from the Village next week.

The vicar, the Rev. Robert M. Hogarth, will speak on "Future Life."

At the fourth Lenten Tea, held Tuesday at the home of Mrs. E. H. Maggard and Mrs. D. K. Curtis, 591 Patencio road, 28 were present. Rev. Hogarth talked on the Creed as Symbols.

Lenten Services For Coming Week Announced Today

The Rev. M. Hogarth, vicar of St. Paul's in the Desert, Episcopal Church, today announced Lenten services for next week from Passion Sunday to Palm Sunday.

Next Sunday, Passion Sunday, at 8 a. m., there will be Holy Communion and recently confirmed members will make their first Communion together and breakfast together afterwards as guests of the parish.

LAST VESPER SERVICE

The vicar will preach at the 11 a. m. service on the "Sufferings of Christ."

The last prayer vesper service in Lent will be held at 4:30 Sunday afternoon with the vicar talking on "Prisoners of Hope." There will be special music by a volunteer women's quartet from the Community Church, Violet Fowler, Violet Fraser, Mildred Welch Wagner and Holly Lash Visel. Charlotte Kanaga will be at the organ.

The Lenten tea next week will be at the home of Mrs. H. Earl Hoover at the Smoke Tree ranch with Mrs. Grover Poos as hostess.

Devotional services and meditation on "Symbols of Christian Faith—Future Life," will follow.

FOR HOLY WEEK

Friday at 10 a. m., there will be Holy Communion and meditation on "The Moral Law."

There will be services at St. Paul's on Palm Sunday, Monday, Thursday, Good Friday, Holy Saturday and Easter Sunday which will be announced next week.

Prominent Local Woman Succumbs At Village Home

Last rites were said last week for Mrs. Alexander Baillie wife of a prominent northwestern family, who succumbed from a heart ailment after an illness of almost two months. Dr. J. R. Macartney, pastor of Community church, officiated at the funeral which was conducted at Wiefels and Sons' Banning chapel.

Mr. Baillie, who was connected with a prominent San Francisco firm before his retirement some years ago, and Mrs. Baillie had been resident of Palm Springs for the past nine winters.

Ashes of Mrs. Baillie will be taken north for interment in Tacoma, their present home. Mr. Baillie will remain in the Village with his daughter, Mrs. W. R. Ripley, until May.

Mrs. Nellie Coffman of the Desert Inn is expected home this week from Los Angeles where she went recently to have four impacted wisdom teeth removed.

Community Circle Plans Program And Social Gathering

A program and social meeting of the Community Circle of Community Church will be held next Monday afternoon at 2:30 o'clock at the home of Mrs. Gordon Nicholson, 829 Patencio road.

Mrs. John Calvin Abels, wife of the pastor of Cathedral City Community Church, will talk on Panama where she lived for many months. Miss Ruth Pinckney, who resided for some time in Nicaragua and Costa Rica and was engaged in missionary work there, will speak on those countries. Miss Pinckney has been a winter resident of Palm Springs and has assisted Dr. Macartney, pastor of the church, as director of young people's activities.

Community Church Entertains Boys At Desert Center

Dr. and Mrs. J. R. Macartney of the Community Church were guests of Chaplain and Mrs. Gree of Desert Center Wednesday evening. Dr. Macartney gave a talk to the soldiers at the post on Palestine, a land recently visited by the minister and his wife. His talk was illustrated with colored pictures taken there.

Thursday evening the Chancel Choir of the church made a postponed trip to Desert Center and presented a delightful musical program for the army boys there.

Sermon On Apostles Is Planned Sunday

Second in the series of sermons on the great Apostles, Peter, James and John, will be presented next Sunday morning at Community Church by Dr. J. R. Macartney, pastor.

GARDENS

Now is the time to plant

If you haven't yet started your vegetable garden — the sooner you get busy the better! This year, the demands on the nation's food supply will be even greater than last.

Your own family will benefit the most: with food for the gods, palate-tickling nourishment fresh-picked from your own garden! Remember, freshness means more health values! So prepare them the vitamin-saving, health-building way, with Controlled Gas Cookery: a half-inch or less of boiling water is recommended to save vitamins and minerals. Add vegetables; cover and reduce gas flame to simmer. Don't stir. Cook shortest time possible.

SPRING PLANTING

See your seedsman or nurseryman about plants and best months for Spring Planting: artichokes, asparagus, string beans, lima beans, beets, cabbage, cantaloupes, carrots, celery, chard, sweet corn, cucumbers, eggplant, endive, kale, kohlrabi, melons, okra, green onions, parsley, parsnips, peas, peppers, potatoes, sweet potatoes, pumpkins, radishes, rhubarb, squash, tomatoes, turnips, watermelons.

THE MAGIC FLAME THAT
WILL BRIGHTEN YOUR FUTURE...

How your GAS RANGE Saves Food Values

VITAMINS and minerals "cook away" if there's too much heat or water. But perfected C/P (Certified Performance) top burners make it easy to have the exact amount of heat and water needed. Food values saved!

MODERN design and accurate heat control of C/P ovens and broilers reduces shrinkage—and saves the juiciest, health-building part of the meats!

Formation Riding And Mounted Drills Practiced By Boys

Ten young Villagers have formed a riding club called the Rancho Boys Riding club and are practicing formation riding and mounted drills at the Rancho Stables every Monday and Wednesday afternoon. Mrs. F. M. Engstrom of the Rancho Stables said this week.

The boys who are meeting twice weekly are headed by Buddy Sale and include Gordon Inman, Bill Hoppe, Steven Gnagy, Robert Hartley, Bobby Wood, Andy Anderson, Bill Chaffey, Lester Brown and Rene Colare.

promised by mid-summer.

Mrs. Charles Burket reported on the activities of the House of Friendly Service, reminding members of the board that there is an active demand at this time for clothing of all kinds, especially pants for men and boys.

Mrs. Harold Hicks, newly elected president, presided at the meeting. Next Regular meeting will be held on the afternoon of April 5.

Cathedral City

W. R. HILLERY

You don't vote in Cathedral City on March 28. The thing that's confusing is, I have told you voters you would not vote here on the Coachella Valley County Water District election to be held March 28th. Then along came the sample ballots for the election. And naturally it's confusing. Well, the truth of the matter is there are many cooks ladling out the governmental soup and it applies all down the list of political subdivisions. I have before me an official letter from the county clerk to C. M. Gephert, our precinct inspector, saying, "We have received word from the office of the water district that the Cathedral City election precinct will not be required for this election."

One of the events of the season was the annual meeting of the newly elected chamber of commerce directors to select officers for the next fiscal year. This year an innovation was a dinner put on by retiring president C. S. Cobb and Mrs. Cobb. And was it a dinner. The town hall was specially and tastefully decorated for the occasion and a wonderful chicken dinner was served the directors and their mates with the following honored guests, Mayor and Mrs. Frank V. Shannon of Palm Springs, F. F. and Mrs. Crocker and Postmaster "Pop" Gorham, all of our neighborhood "foremost resort." Philip Boyd, candidate for the state assembly, was attending a Riverside meeting and could not be present. There are fifteen directors and only two were absent. While Mr. and Mrs. Cobb furnished the dinner, they were ably assisted in preparing and serving it by the following volunteers: Miss Engh and Msdm. Herrera, Mero, Henry, Rods and Reaume and Robert Hillery. Mr. Cobb presided and called on the guests for remarks which were along the lines of cooperation of the desert communities. Raymond Cree being a director, is not singled out as a guest and made a plea for every one eligible to vote to register if they had not already done so.

Business was reduced to a minimum and aside from Mr. Kyles report on post-war planning and the result of the recent meeting in Riverside, the other important item was the passing of a resolution placing our local chamber on record as opposing the shift of the San Jacinto and San Geronimo peak areas from the present status to that of national monuments. The resolution will be sent to President Roosevelt and other governmental officials. The election of new officers was carried out in the greatest harmony and resulted in the selection of James K. Wolseth, president, Frank C. Russell, vice-president, and Mrs. Marie Ide, secretary-treasurer. A rousing vote of thanks was given Mr. and Mrs. Cobb for the dinner and for Mr. Cobb's two years of service, and to Mrs. Alphamay Larrison for her work as secretary-treasurer. Mrs. Larrison had been nominated to succeed herself but had declined the job. Mr. Wolseth will have before him a year in which no doubt, there will be limited opportunity for much activity, but much planning is in order for the post-war period and we should be alert to future developments.

A climax of the meeting and after adjournment, was securing the membership of Mr. Shannon who is on the County Chamber Board and represents all the Fourth District area.

now until April 6, when the registration books close for the Primary election to be held May 16, I will be at my office in Cathedral City on each Saturday afternoon from 2 to 3 for the purpose of registering. If you can come at that time it will help me a great deal.

Cathedral City Woman's Club installation dinner at Totem Pole cafe, served by George and Helen Mandrelis, was an outstanding success. Table decorations were bowls of yellow poppies, peach blossoms were used as favors for each guest. President Edna Laas called for annual reports. Mrs. Agnes Gould, secretary, gave a report of the club's activities. Mrs. Ann Reilly, treasurer, gave a financial report, which was very encouraging.

Out-of-town guest was Mrs. Tauner of Los Angeles.

The following incoming officers were installed by Mrs. Daisy Russell in a very impressive way. Florine Keogh gave each officer a corsage. Officers were: Mrs. Edna Laas, president; Lucy Abels, vice-president; Mrs. Agnes Gould, recording secretary; Grace Earley, corresponding secretary; Mrs. Ann Reilly, treasurer. Mrs. Laas, in a short talk, inspired the ladies to greater efforts for the success of the club and stressed good fellowship. She read a telegram of regrets from the founder of the club, Mrs. Emma McNickle.

Mrs. Emma Chadwick of Seattle, Wash., the speaker for the afternoon, charmed the club ladies with a travalgue on China and Japan. Mrs. Chadwick said that she saw evidence of war preparation ten years ago in Japan.

The Cathedral City unit of the Red Cross met last Thursday with the largest attendance of the season. Seven workers completed 476 bandages for the Torney General Hospital, and the rest of the members finished tying a quilt, cutting and sewing slippers, and surgical gowns.

Francine Melrose presented Red Cross pins to nine workers who have completed the required number of hours to win this honor. They are:

Mrs. Freed, Mrs. Mary Hallet, Mrs. Ethel Johnson, Mrs. Marion Baglin, Mrs. Nadine Vorhees, Mrs. Emma Hagen, Mrs. Goldie Diamond, Mrs. O. D. Wenger, and Mrs. Emma Chadwick, who has completed 120 hours, all after celebrating her 80th birthday. We congratulate a faithful member of the Red Cross, and regret that she is leaving us this week to return to her home in Seattle, Wash.

The treasurer advised that we now have passed our quota in the drive for funds with \$1,265.75 on hand.

We regret that one of our most ardent workers, Mrs. Nadine Vorhees is leaving Cathedral City to return to her home near San Diego.

There is only one time to buy for the future and that is right now. I have for sale the best business lot in the Village, the best court sight, the best court available. Also a first-class subdivision bit of acreage down the Highway five miles from here

Governments Topic of Soldiers Here At Global Gabfest

The Fiesta Room at the Desert Inn was the scene of a fast-moving discussion by GI's and civilians of American attitudes toward provisional governments Wednesday evening.

"Fast-moving" is not an idle choice of words for minds moved from Palm Springs to Washington to London, Naples, Cairo and Algiers. There were side-stops at Moscow and Teheran and short dashes through South America, Latvia, Lithuania and Estonia.

Pfc. Bert Corona (Torney General Hospital), in laying the groundwork for the discussion, pointed out that our foreign policy has had a strong thread of continuity in spite of certain wayside variations.

Under the chairmanship of Pvt. Thomas Houlihan (also Torney General Hospital) the truth of Corona's presentation was heatedly debated.

Cpl. Parmentier (Palm Springs Army Air Base) summarized the discussion at its formal close.

But discussion continued for some time over coffee prepared by Miss Thryzza Cohen.

Carnell Memorial Suggested In Note to City Councilmen

A suggestion that a memorial be erected in Palm Springs to the memory of Julia Carnell, prominent winter resident whose philanthropies were wide-spread here and whose foresight and faith in the community was expressed in many developments, was heard by city council Wednesday night and referred to the planning commission. Mrs. Carnell passed away a few weeks ago while on her regular winter visit to the Village.

The suggestion was made in a communication from Robert Ransom, realtor.

Only Candidate Opposing Phillips In The Army Now

Attorney James E. Walker of Santa Ana, democratic opponent of Congressman John Phillips and the only candidate opposing him at the May 16 primaries, will have no opportunity to conduct his campaign.

Walker, chairman of the Orange county democratic central committee, was inducted into the army Monday according to press dispatches.

Soldier, Stationed Here, Is Killed In Auto Accident

Pfc. Robert Canady, 20, of Tulsa, Okla., was killed and three other soldiers seriously injured Sunday in an automobile accident on the road to 29 Palms, it was announced at the 21st Ferrying Group headquarters to which the men were attached.

Pfc. Canady was stationed here with a detachment of the signal service corps.

The injured men are: Pfc. Lawrence Eldridge, Pfc. John F. Reiser and T/5 William Carnesale.

An investigation of the fatal accident is being conducted under direction of Lt. Col. Richard D. Morgan, commanding officer at the local air base.

Many Delightful Affairs Feature Tennis Club Week

Many delightfully informal parties featured the week at the fashionable Palm Springs Tennis club, the beautiful grounds being the setting for sparkling tennis, indolent relaxation, swimming, lively bowling on the green and social chatter.

Among those noted entertaining during the week, hostesses at luncheons, were Mrs. Grace Roberts, Mrs. Bruce Burritt, Mrs. H. Earl Hoover, Mr. and Mrs. William Dean, Mr. and Mrs. Ralph Hill who had the Stuart O'Melvenys as their guests, Mr. and Mrs. Arthur Pillsbury, the John Burnhams, Mr. and Mrs. Faray Wurlitzer, Mr. and Mrs. Henry Wick, Mr. and Mrs. LeGrand S. DeGraff, Mrs. Charles Blue, Mr. and Mrs. McKee Mhoon, Judge and Mrs. Henry Clock, Geoffrey Bill, host for his brother, Mr. and Mrs. Horace Armstrong, James Kemper, Mr. and Mrs. B. F. Shearer, Mrs. Ruth Hardy with a party of 16 from the Ingleside Inn at the smart Tea Dance Sunday, which was a gay, crowded affair, Mrs. C. H. Hobbs and daughter, Elizabeth Lee, Mr. and Mrs. John Crawford and many others.

Karl de Laittre was winner of the first annual Bowling on the Green tournament at the Tennis Club, scoring a semi-final victory over Phil Harmon, 11 to 5 and winning in the finals from Lee Gilbert, 11-10. A handsome trophy is awaiting him. A large and enthusiastic gallery watched the play.

Guests at the Tennis Club found much amusement watching Marian Huntington trying to corral her two exuberant offsprings long enough for Penrhyn Stanslows, noted artist, to sketch them for a portrait he is to make. They were either up the mountainside or down by the pool when they should have been posing.

The buffet luncheons and suppers prepared by Ellen Olander, chef at the Tennis Club, have aroused so much enthusiasm among winter residents and villagers that Mrs. Pearl McManus of the club is reported considering hiring a body guard to see that she is not kidnapped by some well satisfied guest.

Among marriage licenses issued this week in Riverside was one to Thomas A. Houlihan, 26, Palm Springs, and Hazel Gray, 26, Beverly Hills.

PORTRAIT OF THE WEEK

By BERNARD of Hollywood

"Cover Girl" Jimmie Rogers still a Miss, soon to be Mrs. John J. O'Hanlan . . . wife of Captain John J. O'Hanlan. Jimmie is truly a Sun Siren having been Desert Goddess in the Sun Festival at Los Angeles. She's a horsewoman of no mean ability . . . rode in the San

Claus Lane procession in Hollywood. Miss Rogers has reigned over many events held in the Village. Father, "Trav" Rogers, well known business man in Palm Springs, owner and operator of Rogers Stables. Congrats Jimmie, and to you too, Captain . . . you lucky people.

Mrs. Ona Brown And Guests Honored At Hollywood Affair

Mr. and Mrs. Frank Davies of Palm Springs and Hollywood were hosts at a buffet supper and musicale at their hill-top home, "Vista Bonita," in Hollywood, honoring Mrs. Ona Brown of the Village and Gen. and Mrs. W. R. Woodward of Baltimore who have been Mrs. Brown's house guests here for the past few days.

Gen. Woodward, who has only recently returned from the South Pacific war theater, came here to rest and relax after many months of active duty and while he and Mrs. Woodward were here Mrs. Brown staged many delightful little parties in their honor.

About 60 guests enjoyed the hospitality of Mr. and Mrs. Davies and the program of song presented by Luschania, talented grand opera star, who was accompanied by Mercedes Withers, also often a Village winter resident.

R. H. King, father of Mrs. R. H. Frohm, who was taken suddenly seriously ill this week, was removed to the Community hospital at Redlands.

Art Exhibit Will Feature Week End At Cathedral City

Attracting much attention in Cathedral City this week is an exhibit of the work of artists of that area which will be shown at the home of Miss Agnes Pelton, nationally known artist, Saturday and Sunday afternoons from 2 to 6 p. m.

Miss Pelton, for this occasion, has kindly lent her studio at E street and Chuperosa lane, for this display of the work of artists of Cathedral City who were "gathered" by J. Wolseth, an art minded citizen for the event.

Among those exhibiting are Lily Cable, Mrs. Colglazier, Nancy Krauth, Elsie Lodenburg, Christina Lillian, Mrs. MacFalan, Agnes Pelton, Kurt Reineman, Byron Reynolds, Carl Sammons, Matille P. Seaman and Max Vaucher.

George J. Gelernter In V-12 Training

George J. Gelernter of Palm Springs is among 40 southern Californians enrolled as Navy V-12 students at Central college, Fayette, Mo., the 11th Naval district announced today.

Upon completion of the courses required under the V-12 program, he will be transferred to a naval technical indoctrination school where he will complete officers training and be commissioned as an ensign in the U. S. Naval reserve.

Drivers' License Tests to Be Given in Village, Word

Village motorists whose drivers' licenses are about to expire, will have a chance to renew them right here in Palm Springs this year instead of having to drive to Banning or Indio.

Chief of Police Lyle J. Sanard this week received word from R. E. Cowell, writing on behalf of Paul Mason, head of the department, giving out dates on which examiners will be here to quiz local drivers. The tests will be given at the city council chambers, 810 North Palm Canyon drive.

Dates allotted Palm Springs, Chief Sanard said, are June 20, 11 a. m. to 6 p. m.; June 21, 8 a. m. to 1 p. m.; July 15, 11 a. m. to 6 p. m.; July 16, 8 a. m. to 1 p. m.; Sept. 21, 11 a. m. to 6 p. m.; Sept. 22, 8 a. m. to 1 p. m.; Nov. 16, 11 a. m. to 6 p. m.; Nov. 17, 8 a. m. to 1 p. m.

George Strebe Is Back From Sad Trip

George Strebe of the Palm Springs and Plaza theaters has returned to the Village after a hurried trip to Henderson, N. C., where he and Mrs. Strebe were called a few weeks ago by the serious illness of Mrs. Strebe's father, J. B. Smith, 74, a prominent tobacco grower.

Mr. Smith succumbed Feb. 23. Besides Mrs. Strebe, he is survived by his wife, two other daughters and five sons.

Mr. Strebe returned Wednesday morning. He said the weather in the midwest, where he stopped at Indianapolis, and in the east was not too bad. Business is flourishing, he said, but the common complaint of everyone was the gasoline situation.

In Torney League**

Last Friday night's Torney General Hospital bowling session resulted in some solid counts being rolled, albeit just a single change in league standings occurred.

Personnel and QSVL Strikers continued to hold the one-two spots in the league standings with clean sweeps over Headquarters and Registrar.

Davidson and Minear lead the Personnel five with solid 518 and 508 series, respectively. Gilbert cut the timber for a fat 522 count, bowling anchor for the hapless Headquarters quint.

The greatest advance was made by Dental Clinic which copped the series from Detachment of Patients and advanced from fifth to third place. Pennington led the way, amassing 548 pins for the evening's top threesome. Risley added a healthy 508.

Long John Leslie annexed a 503 total for the losing D. of P. aggregation.

The Military Police were propped to fifth place when the 1st Sergeant's squad took their measure, 3 to 1.

**Table Music Box
Permit Application**

Request of James J. Pavny for a permit to install remote control musical boxes in Palm Springs establishments was placed on the table by city council this week pending adoption of a new ordinance regulating coin machines.

Mr. Pavny explained his plan to council and was told that an ordinance fixing license fees for "juke" boxes was then in the making and would not be ready until April 5.

With a string of eleven victories against two defeats, the 21st Ferrying Group basketball team closed its season last week. The eleventh victory was at the expense of the Thermal Air Base quintet and went into the record books as a 53 to 37 win.

Thermal started out with a bang but before half-time, the local air base five had caught up and passed them and was leading, 21 to 14.

The pace grew hotter in the second half and the Village quintet increased its lead slightly in a basket-shooting orgy, winding up on the long end of the 53-37 count.

Sgt. Jim Mackey of the 21st, found the loop from all parts of the floor during that period and topped the scores with a total of 18. Pvt. Ralph Brown was second in scoring with 11 points to his credit.

A silver trophy will be presented them by R. H. Bennett, Field Club director, at an early date.

**Many Women Golf
Stars Entered In
Coming Tournament**

Big Name stars and top-flight Villagers have entered and are entering the Eighth Annual Palm Springs Women's Golf tournament, scheduled for the Desert Golf Course March 28, 29 and 30.

The tournament proper, over a 36-hole route, will be played on the 29th and 30th. The usual putting contest which has always attracted much interest and attention will be staged in connection with the tournament.

Among the stars entered is Babe Didrikson. Jean Darsie, defending champion, is also expected to be among those present.

Par for the nine holes is 37 and the record for the tournament, 144, was established by Betty Hicks.

The tournament was not held last year and this year's revival of the popular event is the eighth time it has been held.

George Howard, pro at the club, and John Kline, course superintendent, have the plans for the tournament well in hand and another highly successful affair is expected.

Action was speedy at the assertedly dangerous sidewalk at the northwest corner of the Frances S. Stevens school grounds.

At last meeting of city council, City Manager Ray Sorum said that the sharp drop from the sidewalk to street level at the unlighted corner constituted a hazard and that several complaints had been filed with his office.

At this week's city council meeting he reported that the Desert District school board had acted with extreme promptness when acquainted with the situation and that a light was installed there to guide pedestrians' footsteps.

Tension Heightens As Day For Soph Assembly Nears

BY MAUREEN ROYBARK

The "ever-ready" class of '46 will present its "never-to-be-equalled" class assembly Friday, March 31.

The secrets of the sophomore assembly have been guarded well by all members of the class. The fire show is enveloped in an air of the strange unknown (unknown mainly, we suspect, to the sophomores.)

When a member of the freshman, junior or senior class tries to pry information from a sophomore as to the nature of the class program, he invariably is greeted with the exclamation, "A Sophomore Never Tells."

All preparations for the event of events have been made behind closed doors impervious to scouts from alien classes.

Members of the class of '46, credited with having put on a top ranking class assembly last year, expect to retain their laurels by putting on a show this year that will go down in the history of Palm Springs High.

Class advisers Kathryn Martin and Henry Greeley are supervising the highly vaunted production.

Mr. and Mrs. William Tange-man of Ontario, Calif., are spending a week in Palm Springs. Mr. Tangeman is manager of the big General Electric plant at Ontario.

Date Is Set For Senior Play And Rehearsals Begun

"Skidding," first in the series of the Hardy family pictures, will be produced as a "legitimate" by the senior class as their class play on May 12, at the Plaza Theater.

"Skidding" is a sprightly, refreshing three-act play of an American family, featuring Marion Hardy, a college girl who falls in love with Wayne Trenton just as a career is opening up for her.

Then there are the two young daughters who chose to marry before they finish their education and want to "come home to mother" at the first trouble.

Mother Hardy is so upset at the modern tendencies of her daughters she goes on a strike to straighten out her family.

Young Andy Hardy is an adorable adolescent lad with his first "case."

John Hobson, rather than John Wilson, will be stage manager. The former was reported last week as the selectee for this position.

Miss Mary Louise Gaylord, senior play director, reports that the cast has started their practicing enthusiastically. The cast meets three times a week at private homes, or in the school auditorium.

Mr. and Mrs. A. G. Fish, of Denver, who are spending the winter in Palm Springs, had as their guests last week end, Mrs. A. W. Wiseman of Los Angeles.

Plans For Annual Prom Launched At Palm Springs High

BY TRUDY SAWYER

Spring is here and the end of school is near. The juniors have rolled up their sleeves another notch and are about to tackle their greatest job of the year, the long-awaited Junior-Senior prom. This social affair is given each year by the junior class for the departing seniors.

The class has been lucky in raising \$230 for the prom which is more than classes in the past have raised.

Bob Dart, president of the Junior class, received a letter this week reporting that the Desert Inn would be available to the class for the Prom May 5. Members of the class consider themselves very fortunate in getting the Inn since it has not been available for student activities for the past two years due to the food shortages and lack of help.

Arrangements have been made by class officers for the printing and mailing of invitations. Guests attending will be Board Members, Faculty, and members of the Senior class, the Juniors being hosts.

The Desert Inn orchestra will furnish the music for dancing.

The class has given a vote of thanks to Mrs. Nellie Coffman for the use of the Inn and orchestra for this outstanding social event of the year.

May We Introduce

BY JO AND BOB

GIRL OF THE WEEK:

Our girl of the week was born in the booming city of Seattle, Washington, July 6, 1929. She is 5 feet 3 inches tall, has green eyes and brown hair.

Her favorite sport is tennis, at which she does very well. When it comes to food, she prefers a banana cream pie. (She doesn't want to get fat very fast does she?) Cherry coke is one of her favorite drinks.

This freshman girl has two very good ambitions. One is to learn how to drive, and the other one is to get rid of her freckles. After the war she would like to go to France and visit many of the wonders of France. Our girl of the week, has one dislike, but a natural one, it is, "people who laugh at other people's mistakes."

Her favorite orchestra leader is Tommy Dorsey, and her favorite record is Poinciana played by Tommy Dorsey. She has no favorite actor but her favorite actress is Ingrid Bergman. She says her love life is a deep dark secret and that she will not tell me. (Heck). Her favorite show was Casablanca with Humphrey Bogart. You will see her palling around with most of the theater gang.

The girl of the week is a lovely freshman girl—Barbara Smith.

BOY OF THE WEEK:

Ah! What have we here. A specimen of delight, joy and happiness. He was born April 15, 1926 in Long Beach, California. (If my math isn't too rusty that makes him 17 years old. It won't be long now.)

This senior "fella" came to P. S. in 1939 and since then he has been very active in our campus activities. You'll see this dark haired lad wandering around the campus in a two year letterman sweater (Basketball, football and track.)

His gal is in Pasadena this year, and I'm sure most of you remember her from last year. His pet name for her is 2-H. (I thought it was H2O but I guess I've got it wrong.)

He goes for: Glen Miller's arrangement of "As Time Goes By," T-bone steaks, French fries, and

Two Victories In Softball Scored By Palm Springs

BY JERRY TRACY

Two wins in softball have put the Indians in the lead in the East Riverside County League. Their success Thursday has brought them closer to the league championship, which they hope to hold at the end of the season.

Thursday's game was played with Coachella at Indio. The umpire started the game at 7:30 in the evening, the Indians having their batings first.

The first inning ended with the Redskins out in front with one run, and Coachella nothing. Joe Sandeffer was first to bring in a run.

The game went on with the Indians scoring in the third, fifth and seventh innings. The fifth inning was the highlight of this particular game, when five of the Palm Springs boys came in. The first to start the ball winging was John Outcault, who made a solid hit through third base and got on base. The next to follow suit was F. Devers. Then A. Jurado, G. Smith and G. Privitt dited. Coachella scored on P. S. in the fifth inning with one run. The final score was Palm Springs 9, Coachella 1.

Frank Devers, the Redskin's pitching tornado, helped to bring victory to P. S. H. S. by striking out 17 opponents to Covington's 2. Devers was pitching to Sandeffer, catcher, and Covington was pitching to McGonoff. Between Devers and Sandeffer, the backbone of the Indians, only 2 hits were taken as against 8 hits taken by the Indians from the Arabs.

The following P. S. boys made runs for their Alma Mater: Sandeffer 1, Devers 2, Outcault 1, Jurado 2, G. Smith 2, and Privitt 1.

The starting line up was as follows: Devers, p, Sandeffer, c, Outcault, fb, Bell, 2b, Smith, 3b, Jurado, ss, Privitt, lf, Moseley, cf, Sherman, rf, and Kaitukoff, short field.

Five Senior Boys At P. S. H. S. Take Army, Navy Tests

In uninterrupted silence and under strict faculty supervision, five senior boys of P. S. H. S. in anticipation of their coming induction into the armed forces, took the Army-Navy Specialized Services Comprehensive Examination, otherwise known as V-12, on Wednesday, March 15, at the high school.

The test was composed of questions on all high school subjects with emphasis on mathematics and physics.

The following boys took the test: Bob Morrison, Gil Smith, Jerry Tracy, Charles Veith and John Ward.

If the above boys pass the test they have a good chance of being sent to a college of their own choice at the expense of the U. S. government, where they will be trained for specialized service in the Army or Navy.

Burroughs In Town To Finish Season

Mr. and Mrs. J. N. Burroughs of Piedmont are at their home at 1184 Camino del Mirasol to spend the balance of the season.

Their daughter and son, Bea and Joe, will be here for the Easter vacation.

he likes to drink root beer floats in his spare time. (Nice amusement but hard on the waist line.)

Some time in June he plans to join the Navy as pharmacist's mate, and after the war he will continue his education and become a doctor.

I know all you loyal students read his column in the Smoke Signals weekly. It's the Sport column. Jerry's doing a swell job with it, too. Oh! I slipped and gave the name away.

Well, I know you all know him by now anyway. He's the tallest boy on the campus—Jerry Tracy.

GAZZOZIT

(By "CECIL")

Last weekend embraced many events, but the most evident thing was that spring had come, and with it the fact that the fellows turned to the things they've been thinking about all winter.

This was easily proved as Artie Lee and Murph exchanged wedding vows at the Mission Inn in Riverside Saturday night. They look very happy, too. Congratulations!

To go farther into the subject, from the first hint of spring love has come from hiding in many parts of the campus. At least, there are three more steady couples around school.

Bob and Trudy, for a long time the steadiest of the steadies, have gone back together again.

Joe and Hookey, who've been going out together for a month or two, finally decided to forget everyone else.

And last but not least of these new steady couples, are Jim Dart and Betty Jo. This is somewhat of a surprise to some of us, but we wish you luck.

The weekend took part of the P. S. H. S. population to Long Beach. Barbara and J. B. went down to see Maw, and took Tony and Babs, Fern and Colin. They all report a swell time down at the pike and on the rollie-coaster. Let them tell the rest.

Helen Louise and Hoover spent an eventful weekend in Pomona. Hoover went down to see brother Jack.

Among the missing in the lobby of the P. S. theater henceforth and forevermore are Trudy, Jo and Cecil.

Al tells us he's going steady with a steering wheel since his last date with Julie.

By press time you will see Bill Foster, U. S. N., in town on leave. Bill is down from Idaho for fifteen days.

Visiting in town during their spring vacation are Mary Leavenworth, living in Riverside, and Milton Knapp from Redlands.

Marilyn Miller was down last week from LaRue School for Girls in Azusa.

Don Omlin was also in town over the weekend. It must be the sunshine that lures them.

Sid Sanard, USMC, was also in town. We hear he's due for a ten-day leave soon. Unexpected events may occur.

Bob Lienau reports a nice week end in Phoenix, Arizona a week ago when he and his folks went down to see Herb. And from the pictures they took, Herb is quite a man!

Several students have been hearing quite regularly from Whitey Sullivan, U. S. N.

New in the teachers roll this week is Arthur Ozias.

Dick Sherman, while being true to a certain gal in Oklahoma, is playing the field. He usually can be seen with Bernita Arakelian and Bob Hann.

Doris Girod sighted on the campus with Charles Vandagriff in tow.

Joe and Dick and Bob and Trudy had an eventful Sunday when they went to the Lienau ranch for a picnic. They must have gone by horse and buggy for it took them two hours to go the twenty miles.

Palm Springs was especially proud this week to hear that Ted Askley, U. S. A., a former student of this school, had received the Purple Heart for fighting and being wounded on Bougainville Island in the South Pacific. Ted is the first student from this school who has received the Purple Heart. Ted is only 19, and has been in the army only a year.

That's all for now, maybe spring will bring more news next week.

At Last, School Acquires Artist On the Sliphorn

BY BOB HOOVER

We knew it had to come sooner or later. Yes, the high school finally has acquired one of those "slip" horns. Every band of any consequence whether a concert, military, or just a pretzel band, must have its trombone. And its trombone artist, too. He, next to the drummer, is the greatest showman of the band. He can even convince credulous youngsters through his antics in hilarious moments that he is swallowing a yard or more of brass pipe and then gulping it up again.

Ralph Galzerano is the new showman. He has been working very hard on the trombone and soon he will be playing in the high school assemblies, Miss Peggy Clarke, music teacher, said today. Students may even expect a "Lassus Trombone" solo in the not too distant future.

Palm Springs high school has purchased several new instruments during the past year.

John Wilson has made great strides in learning to play the "Sousaphone" purchased last year. John also plays the "bull fiddle" which was obtained recently by Miss Clarke.

Three violins and a baritone horn have been added to the band this year. No wonder such varied and colorful (?) music has been coming from the auditorium in recent days.

TORNEY GENERAL HOSPITAL EVENTS

News of the Enlisted Men of the Medical and Quartermaster Detachments at Torney Army General Hospital, Palm Springs
By Pfc. Robert D. Price

TORNEY OFFICERS PROMOTED

Five officers of the staff of Torney General Hospital were raised to the rank of Captain during the past week. The announcement was contained in the Headquarters daily bulletin for March 15. The list of officers promoted includes Lt.'s Berge, Cleeson, Leeper, Linden and Warenskjoid.

Captain Berge, a graduate of the University of Wisconsin, before reporting for active duty with the Army, was associated with the United States Public Health Service. He was first stationed at Barnes General Hospital and came from that station to Torney. Capt. Berge has been associated with the Laboratory Service at Torney since November 1, 1942.

ALMOST YEAR HERE

Father David Gleason has been serving as Catholic Chaplain for Torney since April 10, 1943. Father Gleason was ordained at St. Patrick's, Thurless in 1920 and went to Duluth the same year to serve as assistant at Sacred Heart Cathedral. He has held many important parishes prior to his coming into the service.

Capt. R. W. Leeper, a graduate of the University of California, has been serving with the Army Medical Corps at Torney General Hospital since July 27, 1943. Captain Leeper, a Phi Beta Kappa, took his internship at the Southern Pacific Hospital of San Francisco and has served as relief surgeon to the city and county of that name.

FIRST IN TEST

Capt. M. E. Linden, a graduate of the University of California Medical School, has been serving in the Neuropsychiatric Section since March 27, 1943. Capt. Linden

received his M.A. for work in zoology at the University of California in 1937. During his internship, Captain Linden took specialized courses in psychosomatic medicine and in 1942 stood first in the California State Medical Board examinations.

Capt. S. B. Warenskjoid is a native of Oakland and a graduate of the University of California College of Physicians and Surgeons. Capt. Warenskjoid reported for active duty with the army at Fort Douglas, Utah, May 21, 1943, and was transferred to Torney General Hospital June 1, 1943.

ST. PATRICK'S DAY

The officers of Torney General Hospital held a gala St. Patrick's party last Saturday evening in the Coral Room.

The party was in the nature of a salute to Ireland's patron saint. Dinner was served from 7:30 to 8:30. An evening of dancing followed at 9:00.

All general arrangements were under the supervision of Mr. J. S. Stoughton, Sgt. William Willard spent hours in preparing the decorations that carried out the Irish theme. Music for dancing was provided by the Torney "Generals."

SWIMMING EXHIBITION

Swimming and diving at its level best, both comic and the real thing, were in evidence as patients and personnel witnessed a special exhibition by that all-time champion and Tarzan of filmdom, Johnny Weismuller, aided and abetted by Bill Lewin, favorite aquatic comic currently in charge of the local Desert Inn pool.

Lt. Carroll Jones, convalescent patient at TGH participated in the fancy diving demonstration which highlighted the show which took place last Tuesday afternoon.

After a brief introduction by Lt. Joseph P. Bird, Athletic

Officer, Weismuller started the proceedings with a brief display of championship strokes plus some original clowning. Following this, Bill Lewin joined Johnny in a bit of comic diving, a routine which was applauded for many months at the San Francisco Aquacade.

Lewin and Lt. Jones rang down the curtain with a dazzling assortment of plain and fancy dives, several toughies accomplished by just a very few experts.

PROGRAMS POPULAR

Special Service has for some time presented programs of recordings on the lawn, west of Ward A. These variegated musical offerings consist of one hour and a half of classical music followed by one hour of swing.

The show is conducted by Sgt. "Bill" Willard who has this to say about the reception of recorded music: "During the twelve months of bringing records of all types to patients and duty personnel of this post, I find that, although there is a preference for swing, the classics are listened to with a greater degree of ease than the more jumpy types of music."

"We have conducted the program in an experimental way for some time to find the best entertainment on record for the men. All listeners will sit longer with calmer music around them with a highly rhythmic and fast swing."

"Our library of classics and popular records can be exceeded only by a few of the larger posts and camps in the country. Special Service feels that it has a definite contribution to make in rehabilitating patients of the hospital by giving them the best, and only the best, records obtainable."

With the advent of spring and warmer weather, the popular feature of last year "Symphony Under the Stars" will be revived to fill the Sunday evening hours. Special Service will still continue to present the popular afternoon recorded sessions from classics to swing in the featured "Music in the Sun."

MILL CREEK PROGRAMS

Every Wednesday afternoon and evening the Red Cross will furnish the patients at Mill Creek convalescent camp with recreation and movies. Recreational games and crafts will be carried on during the afternoons by one of the Torney General Hospital recreation staff. In the evening the patients will have the Red Cross 16 millimeter movies. This coming Wednesday the feature will be the Paramount picture, "Sweater Girl."

A Red Cross social worker will also be at Mill Creek to give any Red Cross service which the men may need.

NEWS OF NURSES

Seven bowlers appeared at the usual time on the evening of March 14, at the bowling alley for a night's entertainment. Persons there were Lts. Peterson and Sheir (Dietitians), Lt. Dennison (Psychotherapist), Lt. Bowen, (WAC of the Civilian Personnel Department), against the nurses, Lts. Grantham, Kimmit and Looser.

Three games were played. Some of the higher scores were: Lt. Kimmit, 184 and 137.

Lt. Peterson, 134.
Lt. Grantham, 132.
Lt. Looser, 131.
Lt. Sheir, 128.

Palm Springs VFW Post Will Become Official March 29

Palm Springs post of the Veterans of Foreign Wars will be instituted next Wednesday night at the 21st Ferrying Group NCO club on Indio road by prominent state VFW officials, C. B. Self of Palm Springs who has interested himself in obtaining the post for the Village, said this week.

A large delegation of VFW members from Los Angeles, Orange and Riverside are coming to Palm Springs for the occasion.

The local VFW post now has approximately 100 members, many of whom are servicemen of World War II who have seen active service overseas. Others are veterans of World War I or other United States military activity on foreign soil.

Sgt. John W. McHaley has been elected commander of the post. Name and number of the post will be announced at the ceremonies next Wednesday.

Keith Horine of Telephone Co. Is Now in Air Corps

Keith Horine, employee of the telephone company here, left Palm Springs this week for Amarillo, Texas, where he enlisted in the army air corps and has started training.

His wife, Alice, who has been on the staff at the city hall, accompanied him east continuing on to Roanoke, Ind., where she will be with her family while he is in the service.

Jimmy Campbell Claims New 'First'

Jimmy Campbell, well known Villager, who was given an honorable discharge from the army a few months ago, claims a "first" today. He believes he is the first Palm Springs resident to receive "mustered out" pay under recently enacted legislation.

Depart For North After Winter Here

Mrs. J. L. Easton of Bellingham, Wash., and her daughter, Mrs. Mary Hurrell of Vancouver, B. C., left this week for their homes in the northwest after the winter spent in Palm Springs.

Mr. Easton passed away here last November.

our bowling group, has just learned to bowl, and for a beginner, is doing well. From the first game to the second, she raised her score twenty some points. She throws a very good smooth ball, and maybe next time she will really show us some competition.

It looks as if Lt. Kimmit is gradually reaching up to another 200 game.

A group of nurses have been going to Camp Haan to go through the gas chamber the last several days. This drill will give them more confidence in their gas masks.

Local Girl, Serving Red Cross Overseas Writes Interesting Letter Home of Vast Work Done By Organization In England

Tannette Jaloff, daughter of Mr. and Mrs. A. Jaloff of Palm Springs, wrote an interesting letter home this week. It came from "Somewhere in England" where Miss Jaloff is in charge of one of the many Red Cross Recreation clubs for American service men. The letter was given for publication by her parents with the hope that an inside glimpse of what the Red Cross is actually DOING abroad, will stimulate interest in the current War Fund Drive.

Excerpts from Miss Jaloff's letter follow:

"The American Red Cross has six of the other large hotels in this once famous bathing resort for the very rich and the crowned heads of Europe. One is for women officers, nurses and Red Cross girls on leave; another is for ten officers and the four remaining are for GI's who come on leaves varying from 48 hours to eleven days. . . . They are the soldiers who, perhaps even before you read this, and at the longest by this summer, will pile abroad invasion craft and cross over to what we all see as a mighty costly offensive, though no one is afraid of another Dunkirk. . . .

HAVENS FOR BOYS

Our Clubs are the only havens these lonely, homeless GI's know. True, we have not always been at the right place at the right time. I've heard complaints about our remissness in Sicily, but we just didn't have the personnel to spread ourselves quickly. In this town, for instance, we have a British staff working with us. They number over 500 and we Americans are only ten, two of us are only temporary, for in a day or two my roommate and I part company to open the newest in Red Cross club ideas—Donut Dugouts. I have just returned from London where I was instructed in the art of doughnut

making. Unlike the Clubmobile girls, we will have to do without any machinery in making a minimum of 3,000 doughnuts a day, and in addition we want to have time to talk with our boys and maintain some sort of club atmosphere. So it looks like it will be a 24-hour job. Since we are so close to the war, we cannot do enough for our GI's, many of whom are on their last leaves.

TURN SALARIES BACK

Four of our full time American staff, my inquiring nose ferreted out, are turning their salaries back to the Red Cross and if the rest of us could manage we would do the same to provide more comforts and more American staff for our American forces. The English are wonderful aides. On reception, hospitality, information and manual labor, we could not duplicate their services. But our men are starved for their own kind. We need not be beautiful, or young—just being American is enough.

The first group of girls to follow the invasion have already been assigned. Mostly they are rugged, sturdy individuals who have been tested by months of clubmobile service and are now being trained to drive trucks. Some of us hope to go over on the second wave, when the clubs will actually begin operation and we shall not be needed here."

Send your check to the American Red Cross, Palm Springs.

Breakfast Ride Is Planned Sunday By Los Compadres Club

Members of Los Compadres club are planning a breakfast ride next Sunday morning to the old experimental station, Jim Cooper, club secretary said today.

Because of the lengthening days, members are urged to be at the stables at 7 a. m., at which time the chuck wagon will leave and breakfast will be ready early.

Mr. Cooper also reminded members that another of the club's enjoyable dances will be held next Tuesday evening at Rogers ranch. This time square dances will be featured.

He also announced that the pack trip, an annual feature, will be held late in April or early in May. Plans for the 4-day trip, a highlight of past seasons, are now being completed.

**Americans Playing Into Hitler's
Hands By Patronage of Black Markets
Speaker Tells Palm Springs Lions**

American can lose the war and, in fact, is losing it, through the black market, Elmer S. Nelson, information specialist with the Los Angeles OPA office told Palm Springs Lions club members yesterday noon at their meeting at the Desert Inn.

Mr. Nelson recited the economic history since the last world war. He revealed the clever maneuvering of Germany which resulted in their winning the economic war in the first world war although they lost the military conflict.

AIDING HITLER

He said that Hitler and his aids were following the same lines as before and that Americans, suddenly rich through high wages, were aiding the German economic victory through their demand that they get what they want, price restrictions, wage stabilization and rationing, notwithstanding.

Patrons of the black market, by increasing the spiral toward inflation, were following the plan mapped for them by Adolph Hitler who was counting on just that to aid his cause.

WAR NOW SECONDARY

People are now making the war a secondary thing—except those who have loved ones in the thick of battle—and because they are waxing wealthy, do not care if the war continues.

Mr. Nelson's talk was crammed with facts and figures showing the trend. He said America was the last bulwark of democracy and alone was able to prevent the total collapse of free enterprise and the sweeping success of totalitarianism.

It is a grave trend and unless America awakens, disaster lies ahead.

George B. Davies was program chairman.

**Outside Editors
Keep Palm Springs
In The Public Eye**

Is Palm Springs in the public eye?

If you want proof, take a look at the south window of the Chamber of Commerce.

It is filled with new paper clippings, the result of one month's work by editors of papers elsewhere who found items of interest in the Village on which to comment.

Walter Kofeldt, executive secretary of the Chamber, said the window-full of clippings represented a sharp increase in publicity given the Village.

**Recommendations
of City Manager
Quickly Approved**

Recommendations of Ray M. Sorum, city manager, presented to city council Wednesday night, were acted on in prompt fashion by the board which approved:

Employment of James L. Redfield to succeed Russell Pegg, resigned, in the street department.

Employment of Mrs. Eudora Pace, as temporary clerical help at the city hall to fill a vacancy created by the resignation of Mrs. Alice Horine.

Appointment of E. E. Hoppe and Phineas Prouty as volunteer firemen to replace Dick Lowry and Billy Foster, who have been inducted into the armed services of the nation.

Approval of the bond of the Tanner Motor Livery, presented under terms of Franchise Ordinance No. 144, previously enacted by city council.

Refund of a \$3 application fee deposited by Mrs. Margaret Anderson of the Palm Springs Bowl, for a dance permit. The dance, a USO affair, was without admission charge.

**Interest Growing
In Candidacy of
Boyd For Assembly**

Raymond Cree, head of a volunteer group organized here to support the candidacy of Philip L. Boyd for the assembly at the May 16 primaries, this week said that it was highly gratifying to note the unsolicited support being given the Village candidate.

Mr. Boyd, who is conducting his campaign on a strictly non-partisan line with the general good of the entire district as his sole aim, has been assured the support of leading democrats and republicans and the voluntary organization rallying to his candidacy is rapidly growing, Mr. Cree said.

Francis F. Crocker, treasurer of the group, said that contributions to the campaign fund are coming in unsolicited by those interested in good government and that interest in Mr. Boyd's campaign is high.

**Cathedral Canyon
to Be Visited By
Field Tour Sunday**

One of the most interesting of this year's schedule of Museum field trips will take place on Sunday afternoon, March 26, when a group will go to Cathedral Canyon.

"As this canyon is about six miles from Palm Springs, several cars will be necessary; if you can manage to bring yours and carry several other people, it will be greatly appreciated. However, do not let the lack of an automobile stop you, as there has always been plenty of room." Sam Hinton of the museum said.

Interested people will assemble at the museum at 1:30 p. m., and will return to that point around 5:00 p. m., after a hike of three and one-half miles over easy ground. Members of the armed forces and their families are invited to attend free of charge; for others, except members of the museum, there is a fifty-cent charge.

**Land Use Measure
Amended to Permit
Zoning Variance**

An ordinance amending the land use ordinance, permitting the zoning variance granted Mrs. Gertrude Knowles by city council at its March 1 meeting, was introduced at city council meeting Wednesday.

Councilman E. E. Theriau moved that the planning commission be apprised of the ordinance so that the entire area could be studied with a view of making all property conform.
